Costumes, Make-up, & Hair...

...so your child looks fabulous in photos and on stage

Costumes will be sent home with each dancer as they arrive. Arrival dates vary depending on the costume and company they were ordered from. We advise steaming (on LOW setting) the costume and then keeping the costume clean and in its bag.

*** We cannot hand out costumes to anyone with an outstanding balance.**

Follow these guidelines for Pictures, Dress Rehearsal, and The Recital.

- **Accessories** - Be sure you have all your accessories: necklaces, shoes, socks, tights, headpieces etc. Headpieces should be bobby pinned securely in several places.
- **Costume** - Most costumes do not require assembly. If they do, we will take care of this before we deliver the costume to you. If you notice issues regarding your child's costume, please let us know.
- **Shoes & Tights** - Make sure you have the correct style and color of shoes and tights. A list of required shoes, tights and hairstyles is attached AND posted on the bulletin board in the studio lobby. For your convenience, we sell tights in the office. Girls, please do not wear underwear with your leotard style costume. It will show on stage and in pictures.
- **Hair** - All students must wear the hairstyle assigned to their class for the performance. See the attached list. Ask your child's teacher if you have any questions. Use gel to keep bangs back and stray hairs in place. Hairspray will not be enough. Hairnets matching your daughter's hair color must be used for all bun hairstyles.
- **Make-Up** - All girls should wear make-up so that the bright stage lights and the photography do not wash out their faces. Remove all tattoos, body paint, nail polish, or personal jewelry of any kind before the recital and the dress rehearsal.
- **Camisoles** - For students in multiple dances, please wear a nude camisole under your costume to facilitate costume changes.

Parent Chaperones

Mom or Dad can be part of the action

This is an opportunity to help your child's class get ready. When you are a chaperone, you are part of the action. Having class parents chaperone the children is the best way to keep the backstage area organized and the children safe.

- **What do Chaperones do?** - You are with your child and his/her class the whole length of the recital and rehearsal. You help the children line up and go to the stage. When they come off stage, all

excited, you are right there to congratulate them. If you have dancers in your group that have multiple dances, you will help change dancer's costumes and hairstyles.

- **Commitment** - All chaperones must commit to helping out with both the dress rehearsal June 15th and performance June 16th. Chaperones will need to arrive prior to dancer arrival time.
- **Who can chaperone?** - Any parent can be a chaperone. We will have a set number of chaperones per class depending on the class size.
- **Free tickets for Chaperones** - Chaperones will receive 2 free tickets to the show.
- **Can I see my child perform if I'm a chaperone?** - Yes! Parents get to see their child perform from the side of the stage, up close and personal in the wings of the stage.

Jennifer Waxman, Wendy Huffman and Fara Tischler are the head chaperones. We will use an online system for chaperone sign-up.

Please visit the Dance Connection's Recital Page to sign up: www.DanceConnectionNJ.com/recital

Please do not send your child with any snacks unless they have a food allergy and cannot eat what we will be supplying. Please only send bottles of water. - **Entertaining the kids backstage** - The Dance Connection will provide activities for young children to keep them entertained while they wait to go on stage. While you sit in your seat and watch the recital remember that your children are having a blast backstage.
- **When will each recital end?** Recital 1 will end around 3:30pm and Recital 2 will end around 6:30 pm.

- **After each recital**, the children will be taken back to their assigned backstage areas by their chaperone. Someone on the Recital staff will be in the hallway to let you know when you can go to the backstage area to pick-up your child (*for safety reasons, we need to ensure all children can exit the stage and get back to their assigned areas prior to the parents coming back*). Only one parent/guardian will be allowed back stage for pick-up. Once you reach your child, every parent must sign out his or her child with their chaperone before leaving. The chaperone will have a sign-out sheet.
 - If your child is only in Recital 1, please pick up your child at the end of Recital 1.
